## Message by the Chairman

As an undisputed leader in the Biomedical Education, Himachal Group of Colleges plays a pivotal role in enhancing academic framework of our nation. The courses offered at Himachal Group of Colleges promise exciting and rewarding opportunities that ensure positive graduate outcomes. I am fully confident that the institute shall fulfill student's aspiration and succeed in winning the confidence of the students and parents, which is very vital for the growth and development of any educational institution. We primarily emphasize on the quality of our teaching & learning. We also lay stress on the highly productive research capability in the new areas of biomedical technologies. We have a vision for delivering relevant high quality programs in consultation with industry and employers nationally and globally, maintaining a commitment for delivering course in the personalized learning environment with a student centered approach. Courses offered by us are widely in demand and enjoy a great reputation among, hospitals, pharmaceutical industry, research institution etc. We seek to facilitate our graduates to gain a competitive edge over others in pursuing scientific, technical and professional careers and make outstanding contributions to the performance of the future employers.

I would be personally monitoring the progress of our curriculum to ensure that you get not only the best education but also gain knowledge and confidence. However, I would like to add a word of advice to you that this formative stage of your professional carrier adopts self-discipline and austere mode of life so that you can concentrate fully on your studies and career development.

I hope that with these words you have a feel of our approach towards the development of your carrier. I look forward to meet many of you in the coming days as you firm your decision to invest time and energy in yours to put your fortune on a global success path. I extend my good wishes for the committed team and dear students of Himachal Group of Colleges.

**Dr. Anil Singla**  
Founder - Chairman (HGC)

## COURSE DETAIL OF B-PHARMACY

### **B-Pharmacy** 4 Years Program

The subject of pharmacy has evolved as a multidisciplinary, multifaceted curriculum with the emergence of the concept of “Global Healthcare”. Its involvement is deep and it has an important role in discovery of new drug molecule, its evaluation in clinical settings, development, and approval for human consumption, manufacture, distribution, regulatory controls, and several other important aspects of healthcare.

Working in harmony with other members of the healthcare sector is crucial to ensure that pharmacists play an important role and social relevance of pharmacist in the healthcare system of any country is established. Hence, the curriculum at HIMACHAL PHARMACY COLLEGE (HPC) has been framed taking into consideration the responsibility of students to meet the demands of hi-tech pharmaceutical industry, at the same time ensuring that they confidently serve the requirements of patientcare and pharmacy practice.

Since its inception, HPC has made conscious efforts to inculcate research aptitude in its students at all levels to keep them abreast of the requirements of the industry. The efforts are visible in the sizeable number of publications at both national and international level that the College has generated. Through the years, HPC has been able to establish strong bonds with the industry at local as well as national level for training and placement activities.
